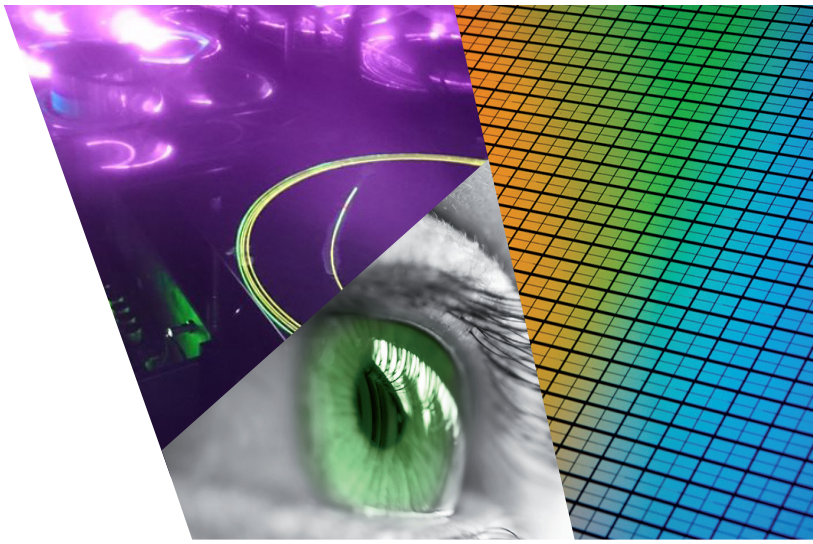
Bright Ideas Competition™©



ENTER TODAY for the opportunity to compete for $30,000 USD in laser equipment

BONUS
gentec-eo
Energy Meter Added

The OSA Foundation (OSAF) and Quantel Laser are excited to launch the **Bright Ideas Competition,** giving students, scientists, engineers and entrepreneurs the opportunity to compete for a $30K USD laser system.

HOW IT WORKS

We invite all professionals working in for-profit and non-profit organizations to submit a proposal requiring a Quantel Laser system to the OSA Foundation. Submissions will be judged on originality, merit, and feasibility by an independent panel of reviewers. Finalists will be asked to present onsite at CLEO, 14–19 May 2017, San Jose, CA, U.S. Submissions are not limited to a specific field of study or type of business.

Submit Your Proposal Today!

DEADLINE EXTENDED TO
8 MARCH, 2017!

Questions? Contact OSAFgrants@osa.org
